Salad Bars

by Kevin McGlynn

It starts in the morning about 9 a.m., after breakfast, in the kitchen at the chopping table. Garden fresh vegetables are stacked up then peeled, sliced, diced, segmented, shredded, iced and presented with condiments in a variety salad bar for lunch. O, yes and again about 3 p.m., after lunch, the peeling, slicing, dicing, segmenting, shredding, icing and presenting yet another salad bar for dinner. Does anyone remember all that work? Below are two fresh salad bars *of the day* and a list of ingredients. Healthy California eating at the Granada, everyday.

Granada - Northcoast Coach Tour

There it was again, our beautiful red bus with stereo for our 102.1 FM classical music and air conditioning ready for our 1:30 pm departure; now add 23 adventurous people, chicken drumettes, strawberries, cheddar, brie, wheat thins, triskits and red / white wine and that's a party, off we go. The day was bright and sunny so across the Golden Gate Bridge and Hwy 1 to Muir Beach and Stinson Beach where we picnicked, walked the beach and just breathed. Onward next touring picturesque Bolinas, Olema, Lagunitas, Ross, San Geronimo, then home safe and sound in time for dinner. What did you do Wednesday?

James Beaty and Mary Finnigan seem to have it all figured out over some wine and strawberries. Do you think Diane Sullivan and Susan Roberts look relaxed on the highway? Must be our professional driver and deluxe coach from Coach USA.

The Beach Boys? No that's our Dick Buelow, Steven Prouty, Don Nitto and John Susoeff on Stinson Beach.

Louis Shackie, Pearl Dobson and a big wave from Caie Bernard makes us feel good and happy to be here and at the Granada.

The streets where we live

Dateline: 18 April 2010, 104 years after the 1906 earthquake. Downtown San Francisco where Hilton a few blocks from the Granada. Happy days.

I had a dream...

I lived deep in heart of San Francisco.

I had a maid

I had a handyman

I had a cook

I had a waiter

I had a busser

I had 'round the clock security

Then I awoke and found

I had The Granada, management & staff.

Mother's Day, May 9th, we serve flowers and ice cream and alot of love. I remember my own mom, Mary, who passed away last year also those of you who shared her life here at the Granada and also mourned. Batter up! The Granada tour will go to AT&T Park to see our Giants host the Colorado Rockies, May 31st, Memorial Day and we'll have our traditional picnic dinner of chicken, ribs and all the trimmings.. This is a baseball game and there is walking and sun so be prepared. We have 25 seats, bring hats and sunblock. "The Songbirds," our serenading ladies will do it again this year for a Mother's Day concert, Thursday May 6th at 3 o'clock. Thanks to you, our aware residents, for stopping the pigeon feeding. Kevin tells me there is now customized Yoga in the Granada starting May 5th. My door is always open and May looks like a busy month so enjoy it all!
