Volume 20 Issue 9 September 2009

Cosmopolitan flavor of the Granada offers a welcome to visiting students.

In university halls across the world from London to Taiwan, Auckland to Minsk; San Francisco is dreamed of and the Granada is talked about.

The Granada is located at 1000 Sutter street at Hyde in downtown San Francisco.

For many years the Granada has maintained a preferred rating with several international student associations that place students for summers or sabbaticals because we provide a safe and stable environment within quick access to downtown San Francisco.

The Granada cooks and serves over 600 meals daily, plus room service and our "bag lunches". The house-keeping staff is also busy servicing our 200 residents with cleaning and attending to bedding and linens, daily.

Countries represented in the Granada now are: Brazil, Puerto Rico, Russia, Philippines, Mexico, Japan, China, England and Ireland.

The United Nations was formed down the street in the "Press Club." Got nothing on The Granada at 1000 Sutter Street where International is always "the word." Take for instance a day or two at The Granada, here's a sampling of the world's representation in action.

The Economy has gone through alot...

Helium was up; feathers were down. Paper was stationery.

Fluorescent tubing was dimmed in light trading. Knives were up sharply. Cows steered into a bull market. Pencils lost a few points. Hiking equipment was trailing.

Elevators rose, while escalators continued their slow decline. Weights were up in heavy trading.

Mining equipment hit rock bottom. Diapers remained unchanged. Shipping lines stayed at an even keel.

The market for raisins dried up. Coca Cola fizzled. Caterpillar stock inched up a bit.

Sun peaked at midday. Balloon prices were inflated. Scott tissue touched a new bottom.

But it looks like we're okay, now.

September 1st marks my 24th year managing The Granada. I can remember my first day like it was yesterday, the 1986 Red Sox were one strike away from winning the World Series. They came closer to winning - without actually winning - than any team, that was the "Curse of the Bambino" the reason for the failure of the Boston Red Sox baseball team to win the World Series in the 86-year period from 1918 until 2004.

That's not a bird answering you when you press the door bell it's our new buzzer so pleased press the door buzzer before pulling on the door. The tweet is loud now so you can clearly hear the birdie tweet, which means "now, pull on the door." Grandparent's Day is Sunday September 13th celebration includes an ice cream social and something "special" for dinner to say *thanks* to all the Granada grandparents. While we are talking food, here comes the Labor Day picnic with fried chicken, ribs, burgers, potato salad, corn on the cob; everything except the ants. My door is always open.
